

St. Joseph Catholic School Tuition Schedule for 2009-2010

Next year's tuition schedule is a reflection of the cost of educating each student at St. Joseph Catholic School. Parishioners with two children will pay 150 % of the one-child rate; three or more children will pay 175% of the one-child rate. Non-parishioner tuition is more in each category than registered, participating parishioners since our members contribute to the parish each Sunday. Parishioner contributions eventually come back to the school in the form of an annual subsidy, which in 2009-2010 is budgeted at around \$200,000. One way of looking at next year's increase is to note that it is about \$1.00 a day increase at most for the excellent education your children receive here at St. Joseph Catholic School.

This year's K – 8 tuition increase is necessary to keep our teacher salaries in line with other Catholic schools in the area as well as the cost of keeping our curriculum up-to-date with new textbooks. Next year we will update science in Grades 7 and 8. We've worked hard to hold the line on expenses and are yet able to provide you with a quality Catholic education, one of which we are all proud. The registration rate includes book fees and will be \$175 per child for the 2009-2010 school year which is the same as last year.

Our **MANNA Program** is an excellent way to reduce your tuition expense, so if you are not already involved in this tuition savings program, call us for more information.

Finally, your ***Registration and Materials Fee and Service Requirement Form*** ***MUST*** accompany your registration form. ***Registration will not be accepted from families who are not current with this year's tuition.*** Re-registration will continue through March 31, so in order to guarantee your child's spot in school and avoid paying a higher registration fee, you need to complete this process by March 31.

We thank you for your continued support of Catholic education in our parish.
